Beginning Monday September 13, 2010, a segment of Brookhaven Boulevard adjacent to Brookhaven Park, between Northridge Road and Hidden Hill Road, will be partially closed to construct 2 speed tables. The construction is part of a City of Norman Traffic Calming Program project requested by residents. At least one-lane access will be maintained at all times by the contractor. Rudy Construction Company will be performing the work which should take 1 to 2 days, weather permitting.
